**WV Racing Commission Conference Room**

The WV Racing Commission met on June 19, 2012, at 10:00 AM to conduct business and consider administrative matters. Roll call was taken and present were Chairman Joe Smith, with Commissioner Jack Rossi and Commissioner Greg McDermott via conference call. Counsel was represented by Kelli Talbott.

**Proposed amendments to Greyhound and Thoroughbred Rules**

Mr. Amores informed the Commission that the Secretary of Revenue approved the rules without change. They will need the Governor's and Revenue Secretary's signatures, followed by being filed with the Secretary of State.

**Approval of the new license clerk, Wheeling Island Racetrack**

Upon motion by Mr. McDermott, seconded by Mr. Rossi, the Commission approved the hiring of Debra Reardon. It is understood that if she fills in as judge at any time, it is under payroll not by payment under contract.

**Update, greyhound testing laboratory**

Mr. Amores updated that Coleman Lab has resigned from testing services, until we obtain a contract with another lab. Mr. Amores has information from Dalare, IA State University, and the Center for Toxic Services. These each have state of the art testing equipment that covers all substances. Each of the tracks pay for the testing, but the Commission is negotiating for the lowest cost.

**Adjournment**

The next Racing Commission meeting is set for June 22, 2012, at the Lottery building, at 10 AM.
